PROFESSIONAL OVERVIEW

Bryce Roux has been working full-time, year-round in a football EQ room for 7 years. Bryce has worked EQ on the sidelines for the 2023 Guaranteed Rate Bowl & the 2022 Liberty Bowl and most recently served as an EQ Intern in charge all aspects of C2P/CoachComm Communications. Bryce is also a trained Seeker/Monarc Operator & is experienced in thriving in fast-paced, evolving environments. Bryce has a passion for safe helmet design/build & a love for the day-to-day operations that promotes a successful team season. Bryce began working in EQ as a freshman in high school & is currently a 2nd-semester senior at the University of Kansas who is on track to graduate this Spring; May 17, 2026, with a BA in Sport Management and Business Minor. Bryce is a self-driven, detail-oriented, experienced equipment manager looking for a full-time graduate assistant position in equipment. Bryce can work independently or as part of a team coordinating directly with coaching staff on their equipment needs while supervising undergraduate student workers.

SENIOR YEAR INTERN POSITION

Campbell University Football Team Assistant Equipment Manager Intern-6 Months Campbell Athletics, Buies Creek, NC | June 2025-December 2025 (Season duration)
